#### **Nutrition Nuggets Fact:**

(WCS CSH Newsletter)

When families have meals together at least three times a week, their children are less likely to be overweight. Kids also tend to do better in school and to stay away from drugs when they have regular family meals.

### Attention 3<sup>rd</sup> - 5<sup>th</sup> grade Kenrose Students!

Want to get involved in something new *and* fun at Kenrose? Want to make new friends *and* help the environment? Then join the Kenrose Green Team! We are a new student club that will focus on recycling, reusing, and reducing waste at Kenrose. We will meet monthly for fun, earth-focused activities and also host school-wide events.

#### Think about this:

- Americans throw away 2.5 million plastic bottles every hour. And it takes at least 450 years for a water bottle to decompose!
- Every year, Americans throw away enough paper to build a wall 12 feet high from New York to Los Angeles!
- For every glass bottle that is recycled, we save enough energy to light a 100 watt light bulb for 4 hours!

Many of us don't realize that someof the everyday things that we do are harmful to our environment. Recycling is one of the best ways for you to have a positive impact on the world in which we live. Come and be a part of the Green Team! You have the power to make a big difference at Kenrose and in our community!

The first Green Team meeting is:

#### Thursday, September 26 from 3:35-4:35 in room 410

Mrs. Ivey and Mrs. Biggs are our Green Team teacher advisors. You can stop by in the mornings from 8:15-8:30 to pick up a permission form to participate and to ask any questions. You must return this signed form **before** the first meeting. We hope to see you at the first Green Team meeting of the year!

Visit GiveWith.Target.com to vote for our school.

This year, Target will give money to schools all over the country for one simple act: a vote. Our school needs just 25 votes to earn a \$25 donation from Target. But that's only the beginning. For each additional vote, our school will get \$1 more. So please remember that, although the gesture is small, the rewards are potentially huge. Go to GiveWith.Target.com to vote for Kenrose Elementary School once a week through September 21 or until Target has given away all \$5 million. And please forward this email to your friends. Vote and see rules at GiveWith.Target.com.

Most teens are involved in social networking, creating and uploading comments (blogs, videos, pictures), downloading music and other files, researching subjects for school, chatting on IM, video chatting, and much more! Teens are creating digital footprints that can last a long time in cyberspace and result in negative consequences. Digital citizenship models and teaches appropriate, responsible technology use. Too often we are seeing students misusing or abusing technology due to being impulsive and not understanding the potential dangers and consequences. Woodland Middle School will have a parent seminar in the WMS library for parents to get more information about "Digital Citizenship" and tips to keep your teens safe while using any type of social media. Helping your children become responsible digital citizens is what will ultimately keep them safe online.
