From Our Principal...

I want to share some very exciting news with our Kenrose parents and community! We were recently informed that Kenrose is one of six schools that the Tennessee Department of Education is nominating this year to be a **National Blue Ribbon School**! Three of the six schools being nominated are here in Williamson County (Kenrose, Hillsboro, and Trinity). The award is based upon academic achievement and/or improvement in academic achievement. I received a phone call from the state week before last but wasn't able to make the news public until now. Following is a link to a Tennessean article about the nomination <http://www.tennessean.com/article/20140128/WILLIAMSON/301280058/Three-state-s-six-Blue-Ribbon-nominees-Williamson-schools>. I want to thank our Kenrose parents and community for all you do to support teaching and learning at Kenrose. The parent and community support our school receives is certainly a foundation for our student success, and we appreciate all you do!

Dr. Marilyn Webb
Kenrose Principal

Nutrition Nuggets Fun:

(WCS CSH Newsletter)

Encourage your child to think about the needs of others. Let him help you find canned and boxed foods at home or in the grocery store to drop off at homeless shelters or food pantries. Encourage him to select healthy items, such as canned beans, tuna packed in water, oatmeal, and multi-grain pasta.

Kenrose has made \$1541.30 from our Box Top program already this school year! We are doing a great job turning in large numbers of tops each month on Spirit Days. But we can do even better! Some other local schools have earned more dollars than Kenrose. The difference is online shopping! If you do any online shopping, please visit the Box Tops Marketplace at www.boxtops4education.com. You need to login to the website, and it tracks your online purchases and gives Kenrose the credit! There are no additional fees or hassles. Simply login and go to the marketplace on the Box Tops For Education website. Many large retailers will award money to Kenrose. Please put a note on your computer to remind you about this simple way to earn more for Kenrose!

We are trying to exceed our numbers for the month of February! Our next big deadline is February 28 th. We want to collect as many tops and online shopping credits before the end of the month! Remember to send in any any Tyson A+ labels (from frozen chicken and appetizers) and Cambell Soup labels. We earn cash and supplies for our school from these programs too!

Please shop online through the Box Tops Marketplace and send in those tops! Spirit Days are the main days that we collect tops and labels. I f you forget, send them in anytime to your child's teacher or front office. Please neatly clip the tops and make sure to put your teacher's name on the Ziploc bag. We want to make sure your class gets credit for the tops.

We are currently working out details for an end of year party for the winning classes. If you are interested in helping with Box Tops, please email SherriHanfland@comcast.net.

WILLIAMSON COUNTY SCHOOLS

EARLY CHILDHOOD PROGRAMS

2014-2015 School Year

Crockett Elementary is currently accepting applications for peers in the Early Childhood classes for the 2014-2015 school year. The Early Childhood classes are for children 3-5 years of age and integrate students with special needs with typically developing peers. Early Childhood students attend school on Monday, Tuesday, Thursday, and Friday (no school on Wednesday) for either the morning (8:30-11:30) or afternoon (12:30-3:30) session.

There will be a drop-in open house at Crockett on Wednesday, March 5th from 1:30-2:30 for parents and children interested in learning more about the Early Childhood program.

If you have any questions or would like an application, please contact Jennifer Bennett at jenniferb4@wcs.edu.

WILLIAMSON COUNTY SCHOOLS

EARLY CHILDHOOD PROGRAMS

2014-2015 School Year

Dear Williamson County School Families,

The public school systems serve children with special needs from their third birthday through the age of twenty-one. Williamson County Schools believes that children with special needs as well as children with typical development are best encouraged to grow when included in the same general education classroom setting together. For this reason, we seek peer models with typical development for our Early Childhood program. This program focuses primarily on character development, including the development of social skills, language skills, and personal skills. The early childhood theme-based classroom setting encourages academic, social, language, fine motor, gross motor, and cognitive development of all children through the use of play and other developmentally appropriate activities.

We are now accepting applications for our Early Childhood Programs for the 2014-2015 school year. This is an opportunity for your 3, 4, or 5 year old to become a typical peer in a preschool classroom. As some of our peers return each year, we may have limited openings in some classrooms. Our enrollment of peer models is designed to match/complement our enrollment of children with special needs and is therefore based on a variety of factors such as gender and age. Please note that, to be eligible for Williamson County's Early Childhood Program, you must reside in the Williamson County School zone, and be able to transport your child to/from school as preschool peers are not eligible for WCS bus services.

If you are interested in a placement for the 2014-2015 school year, please fill out this application.

Once you have completed this application, please return it to:

Crockett Elementary School
9019 Crockett Rd
Brentwood, TN 37027
ATTN: Jennifer Bennett, Early Childhood Program

Thank you so much for your interest and ongoing dedication to your child's learning experiences.

PLEASE RETURN APPLICATIONS no later than Monday, March 3rd, 2014. You may return the application in the mail, drop it off in the school office, or e-mail it to jenniferb4@wcs.edu.

You will be notified by e-mail if you child *does or does not have* a placement for the 2014-2015 year. Notifications will be e-mailed by Monday, March 24th, 2014.

***Please note that our Early Childhood classrooms are different from our Williamson County Pre-K programs. You can find more information about the Pre-K programs that are offered in our county along with their application process on the Williamson County Schools website. http://www.wcs.edu/district/Pre_K/pre_k.htm
