### Nutrition Nuggets Tip: (WCS CSH Newsletter)

Walking extra steps is an easy way to build more exercise into your youngster's day. Take daily walks, even in the winter. Dress warmly, wearing hats, mittens, and layers of clothing. Walk up hills in your neighborhood instead of around them. If you're walking your child to a friend's house, go a block out of your way. If you're shopping, take a longer route from one store to another.

# WILLIAMSON COUNTY SCHOOLS

## EARLY CHILDHOOD PROGRAMS

2014-2015 School Year

Dear Williamson County School Families,

The public school systems serve children with special needs from their third birthday through the age of twenty-one. Williamson County Schools believes that children with special needs as well as children with typical development are best encouraged to grow when included in the same general education classroom setting together. For this reason, we seek peer models with typical development for our Early Childhood program. This program focuses primarily on character development, including the development of social skills, language skills, and personal skills. The early childhood theme-based classroom setting encourages academic, social, language, fine motor, gross motor, and cognitive development of all children through the use of play and other developmentally appropriate activities.

We are now accepting applications for our Early Childhood Programs for the 2014-2015 school year. This is an opportunity for your 3, 4, or 5 year old to become a typical peer in a preschool classroom. As some of our peers return each year, we may have limited openings in some classrooms. Our enrollment of peer models is designed to match/complement our enrollment of children with special needs and is therefore based on a variety of factors such as gender and age. Please note that, to be eligible for Williamson County's Early Childhood Program, you must reside in the Williamson County School zone, and be able to transport your child to/from school as preschool peers are not eligible for WCS bus services.

If you are interested in a placement for the 2014-2015 school year, please fill out this application.

Once you have completed this application, please return it to:

Crockett Elementary School  
9019 Crockett Rd  
Brentwood, TN 37027  
**ATTN: Jennifer Bennett, Early Childhood Program**

Thank you so much for your interest and ongoing dedication to your child's learning experiences.

**PLEASE RETURN APPLICATIONS no later than Monday, March 3<sup>rd</sup>, 2014. You may return the application in the mail, drop it off in the school office, or e-mail it to [jenniferb4@wcs.edu](mailto:jenniferb4@wcs.edu).**

**You will be notified by e-mail if you child *does or does not have* a placement for the 2014-2015 year. Notifications will be e-mailed by Monday, March 24<sup>th</sup>, 2014.**

\*\*\*Please note that our Early Childhood classrooms are different from our Williamson County Pre-K programs. You can find more information about the Pre-K programs that are offered in our county along with their application process on the Williamson County Schools website.
