Walk Bike to School Day

May 7, 2014

We are Kenrose! we are ROCKING THE TEST!

on Friday May 9th, we will celebrate with our annual "Dress Like a Rock Star" Day! All students K-5 are encouraged to rock your best school-appropriate attire as we celebrate the end of TCAP!

International WEEK (May 12-16) at Kenrose!
All KES parents are invited!

Dear Parents:

We are fortunate at Kenrose Elementary School to be well represented by families from around the world. For the past twelve years, we have been celebrating our school's diversity. This year, we will have an **International Week** with a school-wide celebration on **Wednesday, May 14th**. International Week (May 12 – May 16) will feature displays of continents throughout the Kenrose hallways. We would like to include *all parents* who would enjoy helping set up hallway themes with gateways and decorations. This is for everyone, not just families of ESL students.

The May 14th International Day itself showcases the cultures of **all** families who come from other countries and now reside in the United States. Displays of traditional clothing, games, music, photos, maps and performances are set up for viewing. Throughout the day, all Kenrose students “travel” to the countries and take part in the activities. Students have the opportunity to learn so much about the cultures represented among their classmates’ families.

If you would like to take part in this special learning experience at Kenrose, please fill out the lower part of this page and return it to the ESL Department, or email the information.

If you have any questions or comments, please ask. Thank you.

CAMP DESIGN AND CURRICULUM

We, the instructional staff, have designed this camp for the Youth Wrestler. Our goal and objective is to teach your child how to win matches using high percentage scoring moves and holds, that will work at the Youth, Jr, high and High School level. For a wrestler to succeed consistently, he must be good from all positions. Many camps are simply thrown together with no real focal point or plan for building a well rounded wrestler. Middle Tennessee Youth Wrestling Camp for Champs has been carefully planned with a sequence of instruction, review sessions, and (muscle memory) drills, that will help the wrestler score from all positions.

Campers will learn a variety of set-up actions that will allow them to constantly pressure their opponent and always maintain good position on their feet. Our staff will show in detail a variety of leg attacks and how to finish the same shot in more than one way. **Top Position**— emphasis will be placed on cradles, bars, tilts and leg wrestling. **Bottom Positions**— the staff will show a variety of ways to score from bottom, but the primary focus will be placed on the stand-up and sit-out series, because they are the safest, quickest, and most effective means of scoring on bottom.

CAMP COST AND ELIGIBILITY
